

**Platform For Growth: Shared Community Facilities Project at Fenit, Co. Kerry  
Planning Authority Environmental Impact Assessment  
Preliminary Examination Conclusion Statement**

**Environmental Impact Assessment Preliminary Examination Conclusion Statement**

Kerry County Council concludes that this project is not one that requires EIA Screening or EIA. The Preliminary EIA Screening Examination prepared by the Environmental Assessment Unit contains a fair and reasonable assessment. That assessment is adopted as the assessment of Kerry County Council.

**Reasons for Conclusion**

- The proposal is substantially below relevant mandatory EIA thresholds.
- There are no potential cumulative or in combination effects likely to arise.
- There is no real likelihood of significant effects on the environment arising from the proposed development.
