Nature and extent of the Proposed Works**

The proposed development consists of the construction of 1.3km of greenway and associated site works with approx. 1km of the route running parallel to the south of the L7528. The greenway will be for the sole use of pedestrians and cyclists. The works will consist of:

- removal of the topsoil, where greenfield.
- construction of a 3m wide paved surface (asphalt concrete) with a 1m wide grass verge on each side of the paved surface.
- retaining existing hedgerows, where present, to be left in-situ and repaired as required.
- stock proofing fence, where required.
- boundary fencing or treatments, as agreed.
- signage, road markings and traffic calming measures.
- pedestrian / cycle and agricultural crossing points and gates, where required.
- retaining and making good the existing drainage.
- new drainage, as over the edge to drainage channels or filter drains, as necessary, and to existing drainage outlets.
- additional landscaping / screening, where required all other associated site works.

Kerry County Council, as the Competent Authority, has concluded that the proposed project, individually, and in combination with other plans and projects, is not one which requires an Appropriate Assessment (AA) or an Environmental Impact Assessment (EIA) and is not likely to have significant effects on the environment.

Pursuant to Article 120(3)(b) a member of the public, may at any time before the expiration of 4 weeks beginning on the date of the publication of this notice, seek an EIA screening determination from An Coimisiún Pleanála as to whether the proposed development would have significant effects on the environment.

Plans and Particulars of the proposed works are available for inspection or purchase, on payment of a specified fee, not exceeding the reasonable cost of making such a copy, during normal office hours from **Wednesday, 29th April 2026 until Wednesday, 27th May 2026** at the following locations;
