Dear Planning Officer,

**Ref: Land in Clieveragh**

We are amazed that our land which was zoned residential, when we first purchased it is now zoned commercial. With all due respect, we cannot see the logical behind this zoning, giving the shortage of housing in the area and the fact that there is already surplus land zoned as commercial in Clieveragh, which has not been developed in the last fifty year. We only realised the change which we start the process of developing a retirement village on the site.

I look forward to hearing from you in due course. Can you please email receipt of this letter to [REDACTED] Thanking you in advance.
