Dear Mr Ginty

SUBMISSION FOR REVIEW FOR PROPOSED AREAS OF CONSIDERATION IN THE KERRY COUNTY DEVELOPMENT PLAN 2022-2028 RELATED TO THE WIND MAPS ZONING IN DUAGH AREA FOR WIND ENERGY

As a resident I would like to record my submission against the area open to consideration detailed in **Volume 4 MAPS: WIND ZONING** for the following reasons in the DUAGH area:

- NEGATIVE IMPACT ON RESIDENTS HEALTH IN THE VICINITY OF WIND TURBINES.
- PEOPLE WITH LEARNING DIFFICULTIES OR SENSORY ISSUES WOULD BE ADVERSELY IMPACTED AS A RESULT OF THE NOISE GENERATED BY THESE TURBINES.
- NEGATIVE IMPACT ON WILDLIFE AND LOCAL SCENERY.
- DEVALUATION OF OUR PROPERTIES.
- OUR LOCAL INFRASTRUCTURE IS ALREADY IN A POOR CONDITION AND WOULD NOT BE ABLE TO WITHSTAND THE INCREASED HEAVY MACHINERY AND CONSTRUCTION TRAFFIC FOR SUCH DEVELOPMENT.
- COUNTY KERRY ALREADY CONTRIBUTES A SIGNIFICANT PROPORTION OF WIND ENERGY IN COMPARISON TO ITS LAND MASS.

I STRONGLY OPPOSE ANY FURTHER AREAS OF WIND ZONING IN THE DUAGH AREA AS UNDER CONSIDERATION IN THE DRAFT KERRY COUNTY DEVELOPMENT PLAN 2022 – 2028.
