KERRY COUNTY DEVELOPMENT PLAN 2022 - 2028

Dear Mr Ginty

OBJECTION FOR PROPOSED APPLICATION REF: KERRY COUNTY DEVELOPMENT PLAN 2022 -2028
SUBMISSION RELATED TO: DUAGH AREA OPEN TO CONSIDERATION MAPS.

I would like to record my objection to the proposed Kerry County Development Plan 2022 -2028

The Basis of my objection is as follows;

- **LACK OF ADEQUATE PUBLIC CONSULTATION**
There has been no or very little opportunity for local residents, particularly those living closest to the proposed development to meet and engage, voice any concerns and get answers to any queries relating to said development.
- **DEVALUATION OF HOUSE PRICES.** Decreasing the ability to sell ones property.
- **THERE WILL BE AN INCREASED RISK OF CONSTRUCTION TRAFFIC AND HEAVY MACHINERY ON LOCAL ROADS.**
- **INTERNET AND MOBILE PHONE COVERAGE DISRUPTION.**
- **NEGATIVE HEALTH EFFECTS ON LOCAL RESIDENTS'** people living in the vicinity of wind turbines may suffer from sleep disturbances, headaches, dizziness, nausea, tinnitus and inability to concentrate. Including blade flicker, seizures.
- **NEGATIVE IMPACT ON THE WILDLIFE AND LOCAL SCENARY.**

For the reasons above I wish to record my formal objection.
