Dear Sir/Madam,

I am writing to submit 2 suggestions toward the Draft County Development Plan 2022-2028.

Firstly, in Chapter 7, Volume 3, Number 5, can you include, as Historical, Archaeological and Architectural, the walled structure at Foileye pier, Kells, Co Kerry. (OS 62:14:5 (371 035) 1 OD 0-100 V537883. X

Also to include in this section the EIRE sign in Roads (at 52.01561770232601, - 10.153218863821186). X

Secondly, in Chapter 7, Volume 3, Number 1, there are 4 Right of Ways which should be included in the Kells area.

1. The route from the main road in Kells to Failrí (Continuation of access to the beach in Kells from the L7519/L4016 (ROW26).) (to the point 52.027992781858785, - 10.100617945066105)
2. The Right of Way to Kells Lough
3. The Right of Way to Foileye pier (2Km west from Kells beach. A new route was dug out in 2008)
4. Right of Way of the Roadens Path from Roads to Foilmore Church, over Cnoc na dTobar mountain.

Including a map of the area showing these 4 routes.

Please let me know if you need more information on these.

Thank you for your consideration,
Yours sincerely,

Denise Collins.
